Dear Sam,

Thank you so much for saving my boat last week. We were at a point where the boat was going down before you arrived. You and your men knew exactly what to do and how to refloat my boat in a matter of minutes. I have been a customer of yours for over 20 years with various boats. You are a first class operation!! Everyone employed by Marina Jack, including O'Leary's, acts in a professional manner. I appreciate you in my back yard when and if I need help!

Sincerely, David A Spade
